ENVISION
GREATER FOND DU LAC
AGRI-BUSINESS COUNCIL

Agricultural Ambassador

*The Voice of Agriculture
In The Classroom*

www.envisiongreaterfdl.com

THE VIRTUAL AGRICULTURAL AMBASSADOR PROGRAM...

Is directed by the Envision Greater Fond du Lac Agri-Business Council. The Agricultural Ambassador Program was developed to meet the demand of both school systems and the public for the availability of accurate agricultural information regarding the production and the nutritional value of agricultural products produced in our community. **It is our goal to educate every person in the Fond du Lac area and beyond about the importance of agriculture in our society.**

The Agricultural Ambassador Program presents a variety of virtual educational programs **free of charge to students and teachers** even in a pandemic. Topics of the Agricultural Ambassador Program include: health and nutrition, consumer buying habits, food safety, agricultural production, agricultural economics and agricultural careers. A program listing is included in this brochure.

The Agricultural Ambassador Program is a non-profit entity. Each classroom presentation has a value of \$200. Donations and grants are the primary source of funding.

VISION

The vision of the Agricultural Ambassador Program is to raise awareness of the impact agriculture has on our society and the integral role agriculture has on the business economy.

ACCOMPLISHMENTS

- Presented to 7,000 students & adults throughout the Fond du Lac area in person and 300 virtually during the 2019-2020 school year, all made possible by the work of TWO Agricultural Ambassadors.
- Taught over 25 different professional education programs that are available for children and adults. Educators select which program fits their curriculum.
- Teamed with area organizations to educate the public through the FFA Day on the Farm, FDL County Fair Birthing Center and numerous other activities.
- Provided resource materials for agriculture presentations throughout Wisconsin.
- Worked with KFIZ News-Talk Radio to broadcast semimonthly programs to promote agricultural industries throughout the state of Wisconsin.
