Breakfast with Champions

The time is NOW! Don't miss out on this event.

The goal is to bring young professionals and established business leaders together to get to know each other, share ideas, and develop relationships that will support the continued growth of the Fond du Lac community with two 25 minute table discussions. Register early to secure your spot at the table with the Champions you want to interact with (we'll do our best to accommodate your request). Future 5 Nominations

The Young Professionals of Fond du Lac (YPF) established the Future 5 Award in 2013 as a way to support and recognize upcoming leaders in the community. This award is presented to five area young professionals ages 21-40 who are presently growing and excelling in their respective fields and will continue to positively influence the growth, prosperity, and quality of life in Fond du Lac County well into the future.

[Nominations are open NOW](#) and will be accepted through Monday, November 7 at 5:00 p.m.

PSST....the person you nominate does not have to be a member of YPF.

Our volunteers are the absolute best!

Without committees, YPF events would not be possible. Have you attended an event recently and felt you had some good ideas to help improve them? Join a committee! We also have our standing committees for Programming and Events, Member Engagement and Marketing. If any of these interest you or you have questions, reach out to [Anna](#) and she can help connect you with the right person.
