SCHOOL PARTNERSHIP OPPORTUNITIES

Providing learning and engagement opportunities to the next generation.

Envision Greater Fond du Lac offers a variety of opportunities for school districts to participate in, providing extracurricular activities to their students to explore career opportunities within Fond du Lac County.

- Fond du Lac R.O.C.K - A program aimed at working with high school seniors who have no plans post-high school graduation. This program provides career exploration through tours and job shadows, as well as resume assistance, interview practice, and coaching.
- Project G.R.I.L.L. - Project G.R.I.L.L. (Growing Readiness in Learning and Leading) puts local manufacturers together with area high school tech ed students on a year-long project to design and build a working charcoal grill from scratch.
- Career Connections Academy - One of Wisconsin's largest opportunities for middle school students, the goal of this program is designed to teach students about the wide variety of jobs available within the greater Fond du Lac area, specifically in agriculture, healthcare, information technology, services, skilled trades, and manufacturing.
- Youth Apprenticeship - This program is designed for high school students who want hands on learning in an area of career interest at a worksite along with classroom instruction.

For a school district your size and the number of students who can benefit from these experiential learning experiences, the investment is \$30,000.

This investment will provide access to the Fond du Lac R.O.C.K program to all students who qualify, a team in Project G.R.I.L.L., access to the Career Connections Academy, and employment experience with employers throughout the county with the Youth Apprenticeship program.

Dedicated Envision Greater Fond du Lac team members are available to assist your students and teachers year-round.
