Other fun activities that are available during Islands of Creativity

Lego Build Kits and Free Build

Use some of our idea books to create your own or grab a box off the shelf, follow the directions, and build from a kit!

Board and Card Games

UNO, Dominoes, Apples to Apples, Blokus, Risk, Chess, Checkers, Trivial Pursuit, plus many more!

Weekly Art Projects

Monthly themes include: holidays, neurodiversity, and recycling with different weekly projects within each theme.

Lincoln Logs

Use lightweight logs to build forts, houses, and towns. Excellent way to use your creativity and practice fine motor skills!

Cause and Effect Dominos

Build a domino sequence and set off a chain reaction that demonstrates STEM principles including cause and effect.

Puzzles

Sensory Room

A safe, quiet space to meet sensory needs through fidgets, lights, soft water sounds, and various toys and activities.
