Let's have a round of applause for Kim! 🍌

Congratulations to Emily Regal on being recognized as the April Young Professional of the Month!

Emily is a Client Renewal Advisor with 5G Benefits. She loves what she does.

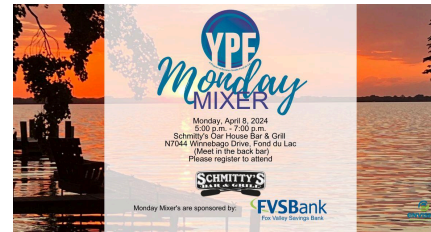

When asked what her favorite part of being part of YPF is, Emily said, "My favorite part about being in YPF is supporting individuals who are early in their professional career. I was a VERY young professional, and it was a lonely place with minimal support, and I

would have loved to have a village of other young professionals to network and share experiences with." Learn more about Emily [here](#).

Join your fellow Young Professional's for networking at Schmitt's Oar House for the next Monday Mixer on April 8 at 5:00 p.m.

This is your chance to build meaningful personal and professional relationships that can be difficult to forge during larger events. Think of it as your way of getting to know YPF without the fear of feeling out of place or not knowing anyone! [Registration](#) is encouraged.

Monday Mixers will be the 2nd Monday of each month.

Join us on Tuesday, April 23 from 8:00 - 10:00 a.m. for a walking tour and peek behind the curtain at Hopper's Screen Printing + Embroidery. Listen as Dave Hopper, owner shares his story of Hopper's over the years and how the family and business has woven itself in the fabric of the Fond du Lac community. Register [here](#).

The Envision Greater Fond du Lac [Annual Meeting](#) will be Thursday, April 25 at the Radisson Hotel & Conference Center.

The YP of the Year, our very own Kim Bresser, and the Volunteer of the Year, our very own Dave Neumann, will both be recognized at the event.

If you would like to sit with other YPF's, please email Tracy at tqualmann@envisiongreaterfdl.com.

You-who...we're looking for you.

Do you want to get more involved in YPF? There is no better time than the present. Volunteers are always needed for committees and events.

YPF offers Corporate Membership rates to make the application process hassle-free!

If your company is a Corporate Member of YPF, we would love to schedule a YPF 101 with you!

The goal of a YPF 101 is to host an introductory meeting to present information and opportunities to get involved in the Fond du Lac community through YPF programming.

YPF volunteers will work with your company to schedule a date and time to bring lunch to your office or meet over Zoom to explain Corporate Membership benefits to your employees. This may be a reminder for some about what their existing membership includes, or it may be a chance to get interested parties signed up.

Not a Corporate Member? No problem! Email info@envisiongreaterfdl.com for more information!
