

Pop-Up: Play, Build, Create!

About

Come join us for a pop-up offering with different themes! Explore dramatic play in the theatre with costumes and props. Use your imagination to build with Legos, blocks, dominos and more. Get creative with art projects in the art room. This is structured time that helps support social interaction, fine & gross motor skills, problem solving and more. Staff available for one-on-one support for an additional fee.
