...and now, a message from our chair...

YPF is a great way to connect with others, practice leadership skills, and grow personally and professionally. Take advantage of our upcoming events and volunteer committees... YPF is here as a resource for you!

~ Chris Zachar-Tirado, 2024

Congratulations to Zoelle Renke on being recognized as the August Young Professional of the Month!

Zoelle is the CEO/Chiropractor at New Directions Chiropractic. Returning to her hometown as a business owner was a mix of nostalgia, opportunity, and a desire to contribute to her community. After years away in different states for college, Zoelle realized the potential in her hometown—its welcoming community, expanding downtown network, and the chance to create something meaningful where she grew up. Being

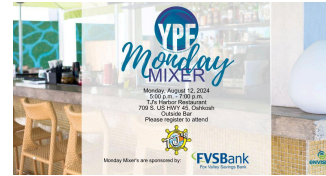

familiar with the local culture and needs gave her a unique advantage in starting a business that could genuinely serve and thrive in the area.
