

The Future of Child Care in Fond du Lac County

2023 Survey Results

In July 2023, Envision Greater Fond du Lac partnered with Family Connections to distribute a survey to licensed child care providers in Fond du Lac County. The survey was titled, "The Future of Child Care in Fond du Lac County."

70% of the licensed child care providers in Fond du Lac County completed the survey.

- Child care providers expect to raise their tuition by an average of 14% in 2023.
- If providers had to decrease operations, some of the responses include be open for shorter hours, close on Fridays, or close classrooms.
