Coffee Connections 2025

First Wednesday of each month | 7:30 a.m. - 8:30 a.m.

*The January Coffee Connection is the second Wednesday of the month.

These are not just about coffee; the coffee has little to do with this actually. It's an opportunity for professionals looking to network and pick each other's brains (as they get caffeinated) to build relationships and exchange ideas in a comfortable, laid-back atmosphere. Coffee Connections are a great way to get a 'flavor' of the business community in a nicely "blended" environment.

It will be a latte of fun...no roasting allowed.

Each participant will get a one-minute commercial to introduce themselves, their business, and any topics they'd enjoy having conversations about. Participants are encouraged to bring their business cards and handouts.
