...and now, a message from our chair...

Thank you to everyone who stopped out for our rescheduled Midweek Meet-Up at Wendt's. The team there did a great job walking us through the sturgeon season and giving us some fun facts about ice fishing and the impact it has on businesses along the water. Don't forget to join us in [March at Blue Line Tavern](#) on Main Street! They were recently visited by Bar Rescue and I'm sure they will have some great details on that experience for us.

Don't forget to register for the [Envision Annual Meeting](#) to support our YP of the Year, Mason Gravelle, and Envision Greater Fond du Lac. Congratulations to Mason for being chosen for the award!

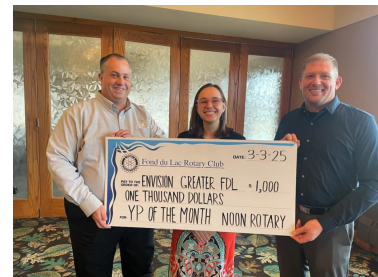

~ Jackie Runge

Congratulations Mason Gravelle on being named the YPF of the year!

Mason is an integral part of YPF through his involvement in the Advisory Council, committees, and events. His leadership and guidance have aided YPF in moving the needle on many things...and we are incredibly grateful for that. Congratulations Mason, well deserved.

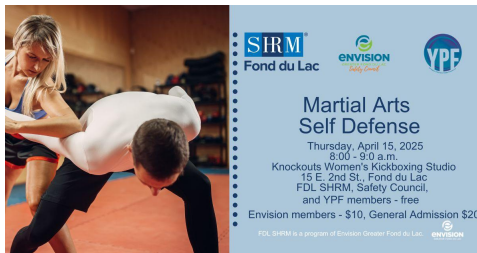

Fond du Lac Noon Rotary is the generous sponsor of YPF's YP of the Month program. Recognition of the YP of the Month includes a special plaque, gift certificate, and social media post. We are also happy to invite each recipient to attend that month's Noon Rotary meetings to network, enjoy lunch, and see what being a Rotarian is all about! Thank you to Noon Rotary for your continued partnership with YPF!

Thank you to everyone that came out to our first Midweek Meet-Up at Wendt's last month! Winter weather pushed the date back but that didn't stop us from getting a great turnout. We are excited to be hosting our next one at Blue Line Tavern. You can check them out on Sunday March 9 when their featured episode of Bar Rescue airs (check your local listings). Then come out the Midweek Meet-Up on

March 26 where owner Kari Koenigs will share her experience being on the show AND offer some featured items from the opening night event!

Everyone should know some basics of self-defense. Take advantage of this FREE workshop on April 15, 2025, from 8:00 - 9:00 a.m.

Members of YPF can attend this free through a partnership with the FDL SHRM and Safety Council. Take advantage of this great event (pre-registration is required)!

Embark on an unforgettable adventure!

Join us for an information session (March 13 or 17) on this tremendous trip.

Don't miss out—join us for an epic journey through the Emerald Isle! ☐☐

Call for Casino Night Volunteers

Casino Night is YPF's annual fundraiser event that features casino-style games like Craps, Blackjack, or Roulette for an evening of fun, no-risk gambling! The Casino Night planning committee will begin meeting soon and is looking for volunteers. This is a great opportunity to practice skills like event planning, coordination, and execution; preparing materials for and requesting donations; organizing prizes; and communication and teamwork. WHY WE LOVE

YOUNG PROFESSIONALS OF FOND DU LAC

The best part about YPF is meeting and greeting the other members and sharing success stories or how certain issues at work were resolved. I appreciate that the members of YPF are in similar positions in our careers and the members are willing to chat and build relationships that stem beyond a YPF event. This has benefited me by moving to Fond du Lac and immediately having a good network.
