Focus Forward: Navigating the Next Chapter (formerly known as Young Leaders Breakfast) is an opportunity for high school students to explore local careers and make connections with young professionals who recently walked in their shoes. Young professionals will answer questions, share personal stories, life lessons, information about schooling or training completed and career paths, successes, and failures in round table discussions with students.

We hope to bring inspiration, confidence, and connections for career paths, job shadows, mentorship, and post high school graduation plans, as well as showcase the opportunities that exist in the Greater Fond du Lac Area.

If you are interested in helping with this event as a Young Professional in your field - please reach out to me at talexander@envisiongreaterfdl.com
