...and now, a message from our chair...

September kicks off our annual Casino Night fundraiser for YPF!

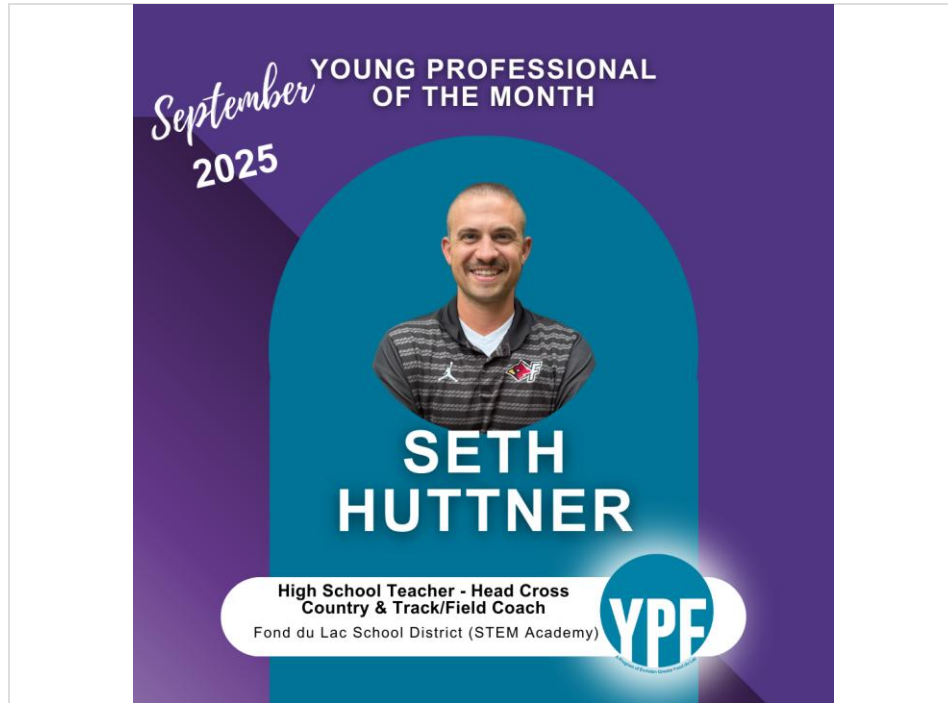

Join us on the 12th at South Hills for an exciting evening in support of a great cause-Young Professionals of Fond du Lac. If you haven't registered yet, now's the time!

Looking ahead to October, nominations for this year's *Future Five* will officially open. This is your chance to shine a spotlight on the emerging leaders and rising stars in our community. Every nominee is celebrated—whether or not they're selected as one of the future five winners.

I encourage you to start thinking now about who in your network or organization deserves recognition. Be ready to submit your nomination starting **October 1st!**
