

SUMMER SERIES

FOR INTERNS

The Summer Series for Interns & Co-Ops is hand-crafted and exclusively created for intern and co-op students within the Fond du Lac area. The series provides professional development, leadership skills, and information on living, working and playing in Fond du Lac as a young professional.

This Series is made up of a total of four events, spanning June – July. We anticipate more than 100 students will participate and you will have the incredible opportunity to network and meet other area interns and co-ops that are here for the summer.

INTERNS & CO-OPS

What can I expect at each event?

Event 1 | June 11, 3:00 - 4:30 p.m. Fond du Lac County Campus, 400 University Dr, Fond du Lac, WI 54935

This year we are kicking off the Summer Series by learning about local amenities and hidden gems throughout Fond du Lac County. Participants will compete in friendly competitions to learn about restaurants, social activities, and other businesses with the chance to win gift cards to these organizations. Participants will leave the event with knowledge about what Fond du Lac has to offer and an incentive to find out for themselves.

Event 2 | June 18, 6:00 - 9:00 p.m. Herr-Baker Field, 980 E Division St, Fond du Lac, WI 54935

Hey batter, batter...swing! At this event you'll have the chance to enjoy yourself and watch the Fond du Lac Dock Spiders bring home a win. We've reserved the Rooftop Dockyard, located above the 3rd base seats, with an all-you-can-eat buffet, and plenty of room to mingle amongst other interns and co-ops from the Series. It's sure to be a great night out at the ball park together.

Event 3 | June 25, 9:00 - 11:00 a.m. Whispering Springs Golf Course, 380 Whispering Springs Dr, Fond du Lac, WI 54937

Enjoy some coffee and a breakfast buffet at the Whispering Springs Club House while networking with Young Professionals of Fond du Lac (YPF.) YPF participants will facilitate discussions and answer questions about starting a career path. Interns and co-ops will enjoy the view of the golf course while connecting with other interns in this informal setting.

Event 4 | July 9, 3:00 - 6:00 p.m. Lakeside Park Pavilion, 71 Promen Dr, Fond du Lac, WI 54935

As the final Summer Series event, participants will help make an impact on a community treasure: Lakeside Park. Located on the bottom of Lake Winnebago, participants will help beautify the space with a park clean-up. The group will divide and conquer in order to cover a large portion of the park. After the clean-up, participants will celebrate the end of the series with a cookout and time to spend enjoying nature with games and outdoor activities.
